DR. KENNETH L. STINNETTE

ATHLETIC TEAM PHYSICIAN

Dr. Stinnette was affectionately known as “Doc” to the many athletes that he administered to during his tenure as athletic team physician for the football and basketball teams of Bardstown High School. He served the football team on the field for over 30 years and was one of the state leaders in getting immediate and follow-up medical care to the injured athletes. sidelines in tight situations.

Dr. Stinnette was a practicing family physician in Bardstown for 47 years. He is often seen in team pictures celebrating major victories and was considered a vital part of the athletic staff, not only by the coaches but also by the athletes.
