ACCIDENTS
HAPPEN

group voluntary accident

No one plans to have an accident. But, it can happen at any moment throughout your day, whether at work or at play. Having the right accident coverage in the event of an accidental injury is important. Our Group Voluntary Accident policy can help cover your out-of-pocket expenses associated with an accidental injury, and help protect your savings should an on- or off-the-job accidental injury occur.

meeting your needs

Our accident coverage helps offer peace of mind when an accidental injury occurs.

- Coverage that is guaranteed at initial enrollment, there are no medical exams or tests to take.*
- Benefits that correspond with treatment for on- and off-the-job accidental injuries including hospitalization, emergency treatment, intensive care, fractures, plus more
- 24-hour accident coverage for yourself or your entire family
- Affordable premiums
- Benefits paid directly to you, unless you assign them to someone else
- Portable coverage
- An additional rider benefit has been added to the plan, and is designed to enhance your coverage

*During open enrollment only. If you enroll after the open enrollment period, evidence of insurability may be required.

Your employer has made it easy to help protect you and your family if a sudden accidental injury occurs.

your benefit coverage†

Accidental Death - Pays** for accidental death.

Common Carrier Accidental Death - Pays** for death while riding as a fare-paying passenger on a scheduled common carrier.

Dismemberment - Pays** for dismemberment. Multiple dismemberments during the same injury are limited to the principal amount listed in the policy.

Dislocation or Fracture - Pays** for dislocation or fracture. Multiple dislocations or fractures during the same injury are limited to the principal amount listed in the policy.

Initial Hospital Confinement - Pays when you are hospital confined for the first time after the effective date.

Hospital Confinement - Pays when you are confined in a hospital up to 90 days for each continuous hospital confinement.

Intensive Care - Pays when you are confined in a hospital intensive care unit up to 90 days for each continuous hospital intensive care confinement.

Ambulance - Pays for you to be transferred by ambulance service to or from a hospital.

Medical Expenses - Pays when you have medical expenses.

Outpatient Physician's Treatment - Pays when you are treated by a physician outside of a hospital for any reason. Limited to 2 visits per person per year, and 4 visits per year if your dependents are covered.

BENEFIT ENHANCEMENT RIDER

Hospital Admission - Pays for your first hospital confinement, after you have been continuously covered by this rider for 12 months. Must be confined within 3 days after the accident. Paid once per year.

Lacerations - Pays when you receive treatment for 1 or more cuts within 3 days after an accident. Paid once per year.

In 2007, 34.3 million people—about 1 out of 9—sought medical attention. About 27.7 million were treated in hospital emergency departments.²

² National Safety Council, *Injury Facts 2010*.

Burns - Pays when you receive treatment for burns, other than sun burns, within 3 days after an accident. Paid once per accident.

Skin Graft - Pays** when you receive a skin graft for a covered burn. Paid once per accident.

Brain Injury Diagnosis - Pays a one-time benefit when you are diagnosed with 1 of these traumatic brain injuries within 30 days after an accident: concussion, cerebral laceration, cerebral contusion, or intracranial hemorrhage. Must be first treated by a physician within 3 days after the accident.

Computed Tomography (CT) Scan and Magnetic Resonance Imaging (MRI)* - Pays when you receive a CT scan or MRI. Must be first treated by a physician within 30 days after the accident. Paid once per year.

Paralysis - Pays a one-time benefit when you are paralyzed from a spinal-cord injury for at least 90 days. Must be confirmed by a physician within 3 days after the accident.

Coma With Respiratory Assistance - Pays a one-time benefit when you are in a coma.

Open Abdominal or Thoracic Surgery - Pays when you have open abdominal or thoracic surgery for internal injuries within 3 days after the accident.

Tendon, Ligament, Rotator Cuff or Knee Cartilage Surgery* - Pays when you have surgery to repair a tendon, ligament, rotator cuff or knee cartilage; or for exploratory arthroscopic surgery.

Ruptured Disc Surgery* - Pays when you have a surgical procedure to repair a ruptured spinal disc.

Eye Surgery - Pays** when you have surgery or a foreign object removed from the eye. Paid once per accident.

General Anesthesia* - Pays for general anesthesia during a covered surgery.

Blood and Plasma - Pays for a blood or plasma transfusion within 3 days after an accident. Paid once per accident.

Appliance - Pays** for 1 of the following: wheelchair, crutches, or walker. Paid once per accident.

Medical Supplies - Pays** for over-the-counter medical supplies. Paid once per accident.

Medicine - Pays** for prescription or over-the-counter medicine. Paid once per accident.

Prosthesis* - Pays for a physician-prescribed prosthetic arm, leg, hand, foot or eye. Paid once per accident.

Physical Therapy - Pays** for physician-prescribed physical therapy (up to 6 treatments per accident). Must take place within 6 months after the accident.

Rehabilitation Unit - Pays when you are confined in a rehabilitation unit after a hospital stay. Paid up to 30 days per confinement (maximum 60 days per year).

Non-Local Transportation - Pays when you have physician-prescribed treatment at a hospital or treatment center more than 100 miles from your home. Paid up to 3 times per accident.

Family Member Lodging - Pays when one adult family member accompanies you to receive treatment at a hospital or treatment center more than 100 miles from the family member's home.

Post-Accident Transportation - Pays when you are hospital confined for at least 3 days in a row more than 250 miles from your home and you are brought home by a common carrier.

Accident Follow-Up Treatment - Pays when you receive follow-up treatment from a physician in their office or in a hospital as an outpatient (up to 2 treatments per accident). Must take place within 6 months after the accident.

*must begin or be received within 180 days of the accident.

**must begin, be received, or performed within 90 days of the accident.

Coccyx	\$280

certificate/rider specifications

Conditions and Limits - When an injury results in a covered loss within 90 days (180 days for dismemberment or death) from the date of an accident, AWD will pay benefits as stated. **Treatment must be received in the United States or its territories.**

Your Eligibility - Your employer decides who is eligible for your group (such as length of service and hours worked each week). Issue ages are 18 and over.

Dependent Eligibility/Termination - (a) Coverage may include you, your spouse and children. (b) Coverage for children ends when the child reaches age 26, unless he or she continues to meet the requirements of an eligible dependent. (c) Spouse coverage ends upon valid decree of divorce or your death.

Termination of Coverage - Coverage under the policy ends on the earliest of: the date the policy is canceled; or the last day of the period for which you made any required contributions; or the last day you are in active employment, except as provided under the "Temporarily Not Working" provision; or the date you are no longer in an eligible class; or the date your class is no longer eligible.

Portability Privilege - Coverage may be continued under the Portability Provision when coverage under the policy ends.

Certificate and Benefit Enhancement Rider Limitations and Exclusions - Benefits are not paid for any loss incurred as a result of: (a) Injury incurred before the effective date; (b) any act of war or participation in a riot, insurrection or rebellion; (c) suicide or any attempt at suicide; (d) any injury sustained while under the influence of alcohol or any narcotic unless administered upon the advice of a physician; (e) any bacterial infection (except pyogenic infections that occur with and through an accidental cut or wound); (f) participation in aeronautics unless a fare-paying passenger on a licensed common carrier aircraft; (g) committing or attempting to commit an assault or felony; (h) driving in any organized or scheduled race or speed test or testing any vehicle on any racetrack or speedway; (i) hernia, including complications; (j) serving as an active member of the Military; Naval; or Air Forces of any country or combination of countries.

Pre-existing Condition Limitation - (a) Benefits are not paid on losses occurring during the first 12 months of coverage if caused by a pre-existing condition. (b) A pre-existing condition is a disease or physical condition for which symptoms existed within the 12-month period prior to the effective date; or medical advice or treatment was recommended or received from a member of the medical profession within the 12-month period prior to the effective date. A pre-existing condition can exist even though a diagnosis has not yet been made.

STATE VARIATIONS

Indiana (changes affect page 4) - Certificate and Benefit Enhancement Rider Limitations and Exclusions paragraph, item (d) is replaced with: being intoxicated or under the influence of any narcotic unless administered upon the advice of a physician. **Pre-existing Condition Limitation** item (b) is replaced with: A pre-existing condition is a disease or physical condition for which symptoms existed within the 6-month period prior to the effective date; or medical advice or treatment was recommended or received from a member of the medical profession within the 6-month period prior to the effective date. A pre-existing condition can exist even though a diagnosis has not yet been made.

West Virginia (changes affect page 4) - Certificate and Benefit Enhancement Rider Limitations and Exclusions paragraph, item (e) is replaced with: any bacterial infection (except pyogenic infections which shall occur with and through an accident). Item (i) is deleted. **Pre-existing Condition Limitation** item (b) is replaced with: A pre-existing condition is a disease or physical condition for which medical advice or treatment was recommended or received from a member of the medical profession within the 12-month period prior to the effective date. A pre-existing condition can exist even though a diagnosis has not yet been made.

Virginia (changes affect page 4) - Pre-Existing Condition Limitation item (b) is replaced with: A pre-existing condition is a disease or physical condition for which medical advice or treatment was recommended or received from a member of the medical profession within the 12-month period prior to the effective date of coverage.

Coverage is provided by supplemental, limited benefit insurance.

This material is valid as long as information remains current, but in no event later than March 15, 2014. Group Voluntary Accident benefits provided by policy form GVAP1, or state variations thereof. Benefit Enhancement Rider provided by rider form GVAPBER, or state variations thereof.

This brochure highlights some features of the policy but is not the insurance contract. Only the actual policy provisions control. The policy itself sets forth, in detail, the rights and obligations of both the policyholder (employer) and the insurance company. For complete details of the insurance, including exclusions, restrictions and other provisions included in the certificates issued, contact your Insurance Agent, or call Allstate Workplace Division at: [1-800-521-3535](tel:1-800-521-3535) or, go to allstateatwork.com.
